Neatness and Presentation					■				

Comments:
Nice looking report. Good use of colored pictures and binding the report always makes it more presentable.

Identification of Goals					■				

Comments:
Good job at identifying simply stated measurable goals.

Measure of Success								■	

Comments:
Make sure you develop your goals at the beginning of the year and measure your progress of improvement.

Overall

How You Compare	Top 1/3 of Student Groups		Middle 1/3 of Student Groups		Lower 1/3 of Student Groups				

Comments:
The Committee on Student Activities received reports this year from 222 Student Chapters, Clubs, and International Student Groups. Based on our assessment of the information you provided in your annual report this is where your organization places.
