Brownfields Resources and Partners Workshop

Does your community have an abandoned building, old gas station, or other potentially contaminated building that is impeding your communities' future growth? During this one-day workshop, you will gain a better understanding of what a brownfield is, learn how brownfield revitalization can be a part of your community's economic development strategy, and hear from state and national leaders on resources available to your community.

Who should attend:

- economic and community development professionals
- government officials, community volunteers, and other community leaders
- anyone interested in learning more about brownfield resources
