

Building Sustainable Communities

**2011 SIXTH ANNUAL
DIALOGUE ON SUSTAINABILITY**

Exhibitor Invitation

July 14 , 2011

8:30 a.m. to 4:30 p.m.

K-State Campus, Durland Hall

Exhibitor space is free! You are invited to attend this event to share your expertise, current sustainability-related activities, technologies, practices, programs and plans; and to explore opportunities for further collaboration.

However, co-sponsorship is encouraged to assist with travel and event expenses for our audience; contributors will receive a certificate of sponsorship and be recognized in the program for contributions as follows:

Gold: \$500 + • Silver: \$250 - \$500 • Bronze: \$100 - \$250

This year's event offers opportunities for planners, citizens, and civic groups interested in community improvement projects to meet with Exhibitors and K-State professionals to explore:

Sustainable food systems and practices, green building technologies, urban water and public infrastructure improvements, re-purposing public spaces, community engagement and leadership, developing walking and biking public transit systems, and energy and water conservation technologies and practices.

**For more information and to register please call: Sheree Walsh,
(785) 532-6519, Center for Hazardous Substance Research @ K-State University.**
