To Whom It May Concern:

RE: Convenience Store in Sharon Springs

The City of Sharon Springs is pleased to learn that Erik Howell, d/b/a The 27 40 Store, Inc., has purchased the SS Country Store, Inc. business and location, and he is planning to keep the business in Sharon Springs, Kansas.

This business provides employment for eight to ten employees and is the only operating gas station with staff along Highway 40 from Winona, Kansas, to Cheyenne Wells, Colorado, a distance of sixty miles. Likewise, it is the only operating gas station with staff along Highway 27 from Goodland, Kansas, to Tribune, Kansas, which is likewise a distance of sixty miles, although the local COOP has an un-staffed card-trol location South of Sharon Springs.

Keeping this business in our community is important as a service as well as to provide employment opportunity for area residents. It has been for sale for several months and we are supportive of The 27 40 Store, Inc., in its endeavor to acquire this business and to continue to provide this business for our community. We welcome Erik's investment back into this community where his family has lived for over twenty-five years, and we stand ready to assist in any manner which the City may be able to do.

Sincerely,

City of Sharon Springs, Kansas

Dennis W. Sharp, Mayor
