

College of Engineering  
Faculty Meeting  
April 9, 2009

With a quorum taken the Faculty Meeting was called to order by Assoc. Dean Clark.

Announcements:

for more information regarding the new zimbra e-mail service please go to:  
<http://cecs.engg.ksu.edu/zimbra/>

Course & Curriculum Expedited Changes:

Jim Goddard brought forward the changes in the  
**Dept of Architectural Engineering and Construction Science**  
Expedited Course proposals for Undergraduate & Graduate Courses:

*-Undergraduate Level*

Minor description changes for:

ARE 100, ARE 536, ARE 539 (& pr: IMSE 530 update), CNS 100.

Revised meeting format for the following: CNS 524, 528 (changing lec to rec)

Update description and pre-req for: CNS 534, 536-dropped PHYS 113

Title & pre-req change for CNS 535-dropped PHYS 114

*-Graduate Level*

ARE 710 added “on sufficient demand” and editorial addition to pre-req

ARE 731, 734, 735, CNS 738-revised description to reflect what was actually being taught.

ARE 740, description update and pre-req update from ARE 640 to 540.

CNS 744, added comment, “Not available for credit to students with credit in CIS 544.”

Motion was made to move the above mentioned changes, 2<sup>nd</sup> by Blythe. Motion was moved.

Non-Expedited Courses Proposals Undergraduate and Graduate level:

ARE 711- Building Energy Codes & Standards. This course is designed for engineering students who will specialize in either mechanical design or electrical design for buildings.

Curriculum Change:

ARE dropping ART 100 OR ART 200 and replacing it with ARE 190 changing the free elective from 4 to 3 and adding STAT 490 without changing the total hours required to graduate.

Motion was made and 2<sup>nd</sup> by Bill Dunn. Motion moved.

Rod Howell brought forward the following proposal changes in the **Dept of Computing & Information Sciences**

Expedited Course proposals for Undergraduate & Graduate Courses:

*-Undergraduate Level*

Pre-req change:

CIS 544: added comment "Not available for credit to students with credit in CIS 744"

CIS 570-dropped CIS 505

*-Graduate Level*

Rod Howell brought forward the following proposals:

CIS 751, added comment "Not available for credit to students with credit in CIS 551"

Non-Expedited Courses Proposals Undergraduate and Graduate level:

New course: CIS 553, Intro Applied Cryptography and CIS 753, Applied Cryptography- to allow computer science majors to specialize in computer security. Cryptography is a major part of computer security.

Rod Howell made a motion to move the mentioned changes, motion was 2<sup>nd</sup> by Goddard. Motion moved.

Don Gruenbacher brought forward the proposals for the **Dept of Electrical and Computer Engineering**

Expedited Course proposals for Undergraduate & Graduate Courses:

*-Undergraduate Level*

Minor description change & revised meeting format for the following:

ECE 241, ECE 431,

Revised meeting format and update of pre-req courses to the following:

ECE 410 (510 in catalog), ECE 511, ECE 519, ECE 542

Description change for, ECE 590

Description change, revised meeting format and pre-req changes for the following:

ECE 441, ECE 512, ECE 525, ECE 526, ECE 530, ECE 557, ECE 581

Update of pre-req's for ECE 502

Credit hour change, description, revised meeting format & pre-req update for ECE 571

Dropped:

ECE 533, ECE 535, ECE 589 since course hasn't been taught in years.

*-Graduate Level*

ECE 624, ECE 636 description and meeting format change.

ECE 628, ECE 641, ECE 645, ECE 647, ECE 648, ECE 649, meeting format and pre-req update.

ECE 631, ECE 643, ECE 661, ECE 662, description change, meeting format and pre-req update.

ECE 633, meeting format change from rec to lec

Dropped the following courses due to inactivity:  
ECE 603, ECE 644, ECE 659, ECE 663

Motion was made and 2<sup>nd</sup> by Dave Soldan. Motion was moved.

Larry Satzler brought forward a proposal to accept letter grade or credit (CR) for AP, CLEP, and IB Exams for students entering the College of Engineering at K-State. This proposal will allow students to apply college level courses taken in High School to their degree if they have achieved proficiency at or above average.

Motion was made by Larry and 2<sup>nd</sup> by Larry Erickson. All were in favor of this change.

Meeting adjourned.
