Engineering Untenured Faculty resources and support

Insights and overview into preparing proposals, funding sources, evaluation, broader impacts and services

November 10, 2015
Our Commitment to You!

**Kansas State University:**
Enabling the Power of Research

Stimulate

- Developing Knowledge by broadening and deepening expertise & talent
- Scholarly & Creative Activity
- Education

Transform

Achieving Excellence Through Knowledge

Excel

- Meeting National Priorities, and Strategic Goals in solving Global Challenges
- Technical and transferrable skills

Talent

Instituting an integrated, flexible, adaptable & highly effective vision to enable 21st Century Talent, Discovery & Service
Where can I find Opportunities?

- **FedBizOpps (FBO):** The Governmentwide point of entry (GPE) by which U.S. Government agencies identify proposed contract actions and contract awards. BAA solicitations are published in FBO.
  
  https://www.fbo.gov/index?cck=1&au=&ck

- **Grants.gov:** The public notification media used when a BAA will allow for the award of an assistance instrument (grant, cooperative agreement, technology investment agreement) as well as a contract.
  
  http://www.grants.gov/web/grants/home.html

- **Defense Innovation Marketplace:** The Defense Innovation Marketplace is your one-stop source for Department of Defense (DoD) science and technology (S&T) planning, acquisition resources, funding and financial information.
  

- **Agency Specific website(s):** See the “snap shot” slide.

- **Notices in RSCAD Momentum:**
  
  http://www.k-state.edu/vpr/news/

- **Periodic updates in the weekly Funding Connection:**

The Heilemeir Catechism/Questions

Getting to the So What!  Many agencies will ask you to address the “Heilmeier questions” which may include a variation of the following:

1) What are you trying to do?
2) How is it currently done?
3) What’s new?
4) Who cares?
5) What are the risks?
6) What’s your plan?
7) What’s your progress?

*Wording derived from a Defense Intelligence Agency BAA
