Welcome from the associate dean

Dear prospective engineering graduate student:

We want you to be part of our efforts to make Kansas State University a U.S. Top 50 public research university. Please review our 11 masters and eight doctoral programs to see which one is right for you.

Our world-class faculty are working on cutting-edge research using state-of-the-art equipment. We provide outstanding opportunities for graduate student professional development inside and outside the classroom and research laboratory. Financial assistance is available for graduate teaching and graduate research assistantships.

We hope you will review our website and learn more about being part of the Kansas State University family.

Sincerely,

Noel N. Schulz, Ph.D.
Associate dean for research and graduate programs
Professor in electrical and computer engineering

Manhattan, Kansas and K-State campus

K-State rankings

Our engineering graduate program is currently 59th in the U.S. News and World Report Public School rankings. K-State is recognized by the Princeton Review as one of America's best colleges.

Manhattan community

Manhattan, nicknamed "The Little Apple," is a great environment to start a new chapter of your life. The city ranks among the best classic college towns in the country.

Aggieville

Aggieville, an entertainment district close to campus, features more than 100 restaurants, bars and shops, many of which are locally owned. It has been a popular attraction for more than 125 years.

Notice of Nondiscrimination
Kansas State University is committed to nondiscrimination in admissions, programs and employment. Inquiries and complaints: Contact Director of Institutional Equity, Kansas State University, 103 Edwards Hall, Manhattan, KS 66506-4401, (Phone) 785-532-6220, (TTY) 785-532-4007.
### Energy, environment and sustainability
- Energy and power
- Environment applications
- Water

### Sensors, systems and networks
- Nuclear engineering
- Biomedical applications
- Transportation

### Advanced materials, manufacturing and processes

### Cybersecurity and big data/high-performance computing

### STEM education

### Financial assistance
The College of Engineering offers competitive Graduate Research Assistantships (GRAs) and Graduate Teaching Assistantships (GTAs) providing stipend and tuition support. Competitive research grants and contracts support GRAs and the College of Engineering supports GTAs.

Several graduate student scholarships are available through the college. Graduate students are also eligible for philanthropic and nationally funded graduate fellowships.

### Global Campus (M.S. degree only)
- Chemical
- Civil
- Electrical
- Engineering Management
- Mechanical
- Nuclear
- Operations Research
- Software Engineering

### Graduate certificate programs
- Agricultural Resources and Environmental Management
- Air Quality
- Complex Fluid Flows
- GeoEnvironment
- Real-Time Embedded Systems Design
- Transportation Engineering

### Minimum admission
- A bachelor's degree from a college or university accredited by the cognizant regional accrediting agency
- Undergraduate preparation in the proposed major field equivalent to that acquired by a graduate of Kansas State University, or evidence of an appropriate background for undertaking an advanced degree program
- Cumulative grade point average (GPA) of 3.0 or higher on a 4.0 scale, or GPA of 3.0 in the last 60 hours of coursework

### International student requirements
- Internet-based TOEFL (iBT) minimum score of 79 with reading, listening and writing scores at 20 or higher
- IELTS minimum score of 6.5 with reading, listening and writing scores at 6.5 or higher
- PTE minimum score of 58 with parts scores of 58 or higher

### Application deadlines
- January 8 for fall (August) enrollment
- August 1 for spring (January) enrollment
- December 1 for summer (June) enrollment

### Application process

### English language program (ELP)
Kansas State University offers English language graduate support courses. ELP academic advisers help students who are admitted to study in a degree program make the transition from the ELP into their academic departments.

Visit k-state.edu/elp for more information.
