Today’s Seminar

Caymus Real Estate, LLC

Michael Allen, a K-State graduate, is a director with Caymus Real Estate, LLC, a full-service real estate developer and design-build contractor located in Kansas City, Missouri. His primary responsibilities involve the development of real estate property for both build-to-suit and speculative opportunities, which is the topic of his presentation. Michael has a strong background in entertainment property development nationally with AMC Entertainment and Clear Channel Entertainment, delivering multiple movie theaters and live entertainment venues including amphitheaters, boutique amphitheaters, night clubs, and performing arts venues, all in support of a strategic growth plan.
