Kaw Valley Engineering

Speaker Profile

Roben Iman

Kaw Valley Engineering

Rob is an Engineer in Training and a 2015 graduate of Kansas State University-accredited bachelor's in civil engineering program backed by successful KSU Research Assistant experience and knowledge of engineering theories, principles, specifications and standards.

He is a recipient of the Recipient of the Fundamentals of Engineering certification. He was also a research assistant at Kansas State preparing railroad tie samples for void classification and freeze/thaw testing. Before his time at KSU he spent years in the United States Army. He served as a Technical Inspector, responsible for 24 Apache Helicopters, a Platoon Sergeant and a Section Sergeant.

Rob brings years of leadership experience and a hard work ethic to Kaw Valley and is currently in his first year as an engineer in training.
