

Graduate School Recruitment

Recruitment Fairs

See which fairs/conferences Graduate School and other K-State reps are attending. We're also happy to post recruitment events you plan to attend.

<https://www.k-state.edu/grad/admissions/recruitmentfairs.html>

Graduate Student Ambassadors

Graduate students from a variety of units across campus voluntarily serve as ambassadors to the Graduate School. Ambassadors are available via email to answer questions and share their graduate student experiences with prospective students.

<https://www.k-state.edu/grad/admissions/ambassadors.html>

Campus Tours

Campus tours are coordinated by the Graduate School and are led by graduate ambassadors or graduate assistants in the Graduate School. The Graduate School only coordinates a general campus tour, but we do provide the prospective student with contact information for their program of interest, should they wish to schedule a meeting with that program.

<https://www.k-state.edu/grad/admissions/campustours.html>

Prospect

A component of CollegeNET designed to manage communication with prospective students.

How student information is captured in Prospect:

- Prospects complete Graduate School's "Connect with Graduate Studies" form
- Contact information collected at recruitment fairs
- Campus tour requests

Contact Joe Horan (jjphoran@ksu.edu) to learn how your program can expand use of Prospect.

Recruitment Resources for Faculty

- Holistic Review in Graduate Admission from the Council of Graduate Schools
- Recruitment funding
 - Timothy Donoghue Graduate Scholarship Program
 - Recruitment weekend funding grants for admitted doctoral students
 - Graduate Diversity Recruitment handbook from University of Minnesota
