Fri, 12/13, 3:30-4:30 PM, 1044 Rathbone (See Noel's email on 12/9)

NSF Proposal Preparation Basics webinar series

- Will be scheduled for Jan 13, 15, 16 (Mon, Wed, Fri), 9:30-11:00 AM. Each session is 1.5 hours per session and will include an opportunity for Q&A with Mary Lou Marino, Development Officer, Office of Research and Sponsored Programs. Plan to have Zoom option available as well. Note the series cannot be recorded due to
- To arrange individual viewings of the series you may contact Mary Lou Marino at ORSP. The agreement ORSP has with the company that produced the series does not allow posting of the series on line. Also, the series cannot be "checked out" out from ORSP because of their past experience in having them returned. However, Mary Lou is more than happy to work with you to set up a viewing in their offices, mlmarino@ksu.edu or 785-532-6195.

SAVE THE DATE: April 24 & 25, National Workshop Speaker.

- April 24 - Full day Grantsmanship Workshop offered by Office of Research and Sponsored Programs. Tailored to cover primary KSU sponsors (NSF, NIH, USDA).
- April 25 - Half day CAREER Workshop
- Grantsmanship book required for attendance (Noel: ERGP will purchase for attendees)

CAREER:

- The 2014 NSF CAREER solicitation has not yet been released by NSF. Watch the NSF CAREER site for the new RFP, http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=503214
- Save the Dates: April 7-8. ORSP provided the following information on the NSF Annual CAREER Writing Workshop. The workshop provides future CAREER proposal submitters with proposal review experience and facilitates interactions with NSF program directors and recent CAREER awardees. Registration is typically in mid-December with the workshop being held in March or April. This year the workshop will be in Washington, D.C. in early April. The workshop has not officially been announced. Watch for additional information.
- Writing tips link ZJ Pei mentioned in his CAREER presentation a few weeks back, <http://www.clarku.edu/offices/research/pdfs/NSFProposalWritingTips.pdf>
- CAREERS will follow the New NSF GPG (NSF 14-1). New GPG is applicable for proposals due after 2/24/2014.
